Yazaki Partners with SRWMA to Enhance Transportation with Vehicle Handover

15th, November 2024

Yazaki Kizuna Foundation is pleased to announce the successful handover of a new vehicle to the Samoa Recycling and Waste Management Association (SRWMA). This initiative aims to bolster SRWMA's operational efficiency by providing a reliable means of transportation for its staff members as they engage in various activities and daily commutes.

The handover ceremony took place on the 13th of November at SRWMA office Tafaigata, where representatives from both Yazaki Kizuna Foundation and SRWMA gathered to celebrate this significant milestone. The new van is equipped to accommodate staff transportation needs, ensuring that employees can access essential services and participate in community outreach programs seamlessly.

“We are proud to support SRWMA with this vehicle, which will support the transportation of SWRMA staff and field work.” said Mr.Junichi Kitami, Managing director of Yazaki Kizuna Foundation. “We hope that our grants will support SRWMA activities to conserve the beautiful nature in Samoa..”

The vehicle will facilitate the safe and efficient transport of SRWMA staff to various activities, meetings, and work sites, helping them better serve the community in a timely manner. As SRWMA continues to expand its missions and initiatives, this van will undoubtedly be a valuable asset.

“Thank you to Yazaki Kizuna Foundation for this generous contribution,” stated Mr. Silafau loane Sio, President of SRWMA. “This vehicle will allow our team to operate more effectively in delivering essential waste management services and engaging with the community. We

are excited to put it to good use.”

The collaboration between Yazaki Kizuna Foundation and SRWMA demonstrates a shared commitment to enhancing community services and fostering sustainable practices. Both organizations are dedicated to supporting initiatives that promote a cleaner, healthier environment for Samoa.

For information contact SRWMA on +685 33080 or email recycle@srwma.ws.
